

COPYRIGHT & CONSENT FORM

Subject: Submission of an Original Article / Research Paper / Short Communication / Review Article / Case Report / Clinical Image / e-Thesis / Thesis Abstract with copyright agreement and authorship responsibility.

Name of Journal: International Journal of Engineering Trends and Applied Science.

Title of Article: _____

I/we, the undersigned, certify that the manuscript submitted is my/our own original work; all authors participated in the work in a substantive way and are prepared to take public responsibility for the work; all authors have seen and approved the manuscript as submitted; the manuscript has not been published and is not being submitted or considered for publication elsewhere; the text, images, illustrations, and other items included in the manuscript do not carry any infringement/plagiarism issue upon any existing copyrighted materials.

I/we have read and know policy/rule of the Publisher. Publication fee once paid will not be refunded under any circumstances. We certify that all the data collected during the study is presented in this manuscript and no data from the study has been or will be published separately. Furthermore I/we attest that I/we will produce the data upon which the manuscript is based for examination by the publisher/editor, if required. I/we give consent for publication of this manuscript in IJETAS Publishers and transfer copyright to the publisher. I further state that there is no conflict of interests among the authors regarding publication of this manuscript.

I/we also agree to the authorship of the article in the following sequence:

Author's Name(s)	Signatures
1. _____	1. _____
2. _____	2. _____
3. _____	3. _____
4. _____	4. _____
5. _____	5. _____

Note:

- All authors are required to sign this form. However, first author/corresponding author may sign on behalf of others in case of non-availability of other authors.
- No addition, deletion or change in the sequence of authors is allowed at later stage.
- Plagiarized article will be deleted from the journal's website even after publication.
